Demands and Needs Statement

It is important that before you decide to purchase PFP HR Plus that you consider whether the insurance is appropriate for you. You should read all of the product marketing literature before deciding to purchase, as well as this document or full Policy wording available via www.hr-plus.uk.com. Since Professional Fee Protection have not reviewed your circumstances we are not able to make a recommendation as to whether the insurance is suitable for you. The Policy may, however, be appropriate if you do not have funds readily available to meet the additional legal costs which may arise should you have an employment dispute/prosecution which would otherwise be covered by the policy.
